# Issues and Committees

Protecting Individual Rights in a Rapidly Changing World

## General Assembly:

### First Committee (Disarmament and International Security)

- I. Ensuring the safety of UN troopers in conflict zones
- II. Addressing the growing violence by use of fire arms (in MEDCs)
- III. Reacting to the shrinking democracy and encountering the growing number of authoritarian regimes

### Third Committee (Social, Humanitarian and Cultural)

- I. Addressing the current political situation in the US concerning immigration
- II. Discussing an United Immigration Policy for UN states
- III. Strengthening the safety measures of NGOs in conflict zones

### Fourth Committee (Decolonisation and Special Political)

- I. Strengthening the growing independence of Latin American countries from the US
- II. Counteracting the Russian control over Ukrainian nuclear power plants
- III. Discussing how to deal with future climate refugees

## Independent Councils:

### Commission on the Status of Women

- I. Ensuring a future where feminism does not diminish
- II. Discussing new measures on abortion rights
- III. Addressing the shrinking tolerance for women's rights

### Special Commission on the African Union

- I. Ensuring the safety of women and children in Sudan during conflicts
- II. Counteracting the legalisation of female genital mutilation in Africa
- III. Finding measures for equal water distribution in Central Africa
